1 Set/Box/N.W. 22.4Kgs/G.W.
27.1Kgs/ 6.3CFT

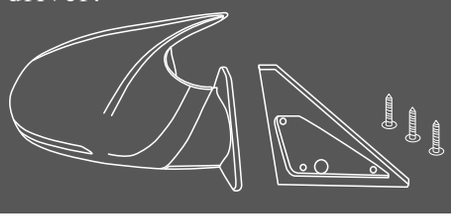

Mirror with led light
(With flasher & driving light)

We have developed over 200 different car model adapter, which can be fit in all following available mirror models.

Mounting:
1. Attach the base plate to the support seat of the mirror using the 3 screws provided.
2. Locate the base plate in position on the car door and attach the assembly to the car body with screws.
3. Adjust manually or electrically the position of the mirror to suit the driver.
